O **Camiño dos Faros** is a hiking trail of 200 kilometers linking **Finisterre & Malpica**. A path that has the sea as a major protagonist and passing by all the lighthouses and all major attractions of Costa da Morte.

200 km of hiking at the seaside

We offer you the possibility to enjoy the **Camiño dos Faros** worrying only of walking, we take care of every thing else.

Accommodations

Accommodations are of different categories, from 3 * hotels to hostels, but always in private room with bathroom.

Transfers

We take care to pick you up at the end of the stage and take you at the beginning of stage. We also handle the transfer of luggage between accommodations.

Documentation

O **Camiño dos Faros** is not a walk on the beach, or an official route is a route that is complicated in some

sections, but we provide all information necessary for the smooth walk.

OTHER OPTIONS

08 STAGES

The adventure of the **Camiño dos Faros** complete. 200 km to know **Costa da Morte** in a different way.

? STAGES

We organize your **Camiño dos Faros** adapted to the time you have available. If you prefer to make shorter stages, we will prepare an custom itinerary for you.

Asociación Camiño dos Faros

None of this would exist if in 2012, a group made up of 6 Tranos and 2 dogs had not

ventured to cross the coast between **Malpica and Finisterre** to then start the hard work of disclosure and maintenance of the route.

With the purchase of this package, you collaborate with the association because we donate a % of our profit to the **Asociación Camiño dos Faros**.
