STAGES

We organize your Camiño dos Faros adapted to the time you have available. If you prefer to make shorter stages, we will prepare a custom itinerary for you.

Asociación Camiño dos Faros

None of this would exist if in 2012, a group of 6 Tranos and 2 dogs had not ventured to cross the coast between Malpica and Finisterre to then start the hard work of disclosure and maintenance of the route.

With the purchase of this package, you collaborate with the association because we donate a % of our profit to the *Asociación Camiño dos Faros*.
